**Additional Backup Information**

In Fiscal Year 2012-2013, the City of Austin expects to receive continued federal funding through four U.S. Department of Housing and Urban Development (HUD) entitlement grants: Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). In order to receive these HUD grants, the City must submit an annual Action Plan that provides an overview of the community needs, resources, priorities, and proposed activities including those related to housing, community development and public services.

The requested action is to conduct a public hearing in accordance with the City of Austin's Citizen Participation Plan (CPP), which sets forth the City's policies and procedures for citizen participation in the development of each annual Action Plan. As required by the CPP and Texas Local Government Code, Chapter 373, the step for public participation includes four public hearings during the formation of the Action Plan: two before the Austin City Council and two before the Community Development Commission (CDC).

The draft Action Plan and Community Development Program will be made available for a 30-day comment period, beginning June 1, 2012. During the comment period, the final two public hearings will be conducted to receive input on the draft plan, one before the CDC and one before the Austin City Council.

The Austin City Council will take final action on the Fiscal Year 2012-2013 Action Plan and the Community Development 2012-2013 Program prior to HUD's submission deadline of August 15, 2012.
